

# health and safety

## in the Clinic room:

- ♦ please don't be offended if I ask you the following:
  1. do you have a sore throat, fever or cough?
  2. have you been overseas within the past 2 weeks?
  3. has anyone in your family or workplace been unwell recently?
- ♦ there is a Hand San Spray for you to use
- ♦ I may choose to wear a mask & or gloves during your consult
- ♦ any additional physical contact will be restricted to a brief physical assessment (if needed)
- ♦ please ensure you remain at least 1m across from me during the consult (where possible)
- ♦ paywave is currently available
