

# health and safety

## for clients:

- all physical contact surfaces are cleaned daily using clinisan (a hospital grade antiviral cleaner)
- all clinic rooms are vacuumed daily
- surfaces sprayed/wiped with sanitiser after each session
- all massage linens are HOT washed after each massage
- a weekly deep clean of all rooms & equipment using clinisan
- I may choose to wear a mask &/or gloves, clients may request this also
- hand washing before & after any appointment, sanitiser used before touching door handles, oil bottles etc
- 30 minute gap between bookings allows for cleaning and & sanitising all surfaces/rooms etc
- paywave is enabled
